[victoriar@lcctbay.org](mailto:victoriar@lcctbay.org)

807-345-6062 ext. 123

**What is MIT?** The Mobile Integrated Team (MIT) is a partnership between local Adult Developmental Service Agencies who are delivering an innovative and non-traditional model of direct support that is flexible, mobile and responsive to people confirmed eligible for adult developmental services. This team directly supports adults with multi-sector complex needs who are at risk and most vulnerable in our community.

Come enjoy some light refreshments, meet the team and learn about how we can work with you!
