

TRAUMA INFORMED SUPPORTS CONFERENCE

Presenter: Leah Jeffery

WE ARE PLEASED TO OFFER THIS 2-DAY TRAINING IN OUR COMMUNITY

This training will help build capacity and knowledge around Trauma Informed Care. The conference is suitable for helping professionals in a variety of settings including community-based service agencies, mental health, residential services, treatment and hospital settings, providing support to adults and transitional youth. In this conference, participants will explore the complex realities of Trauma, and strategies to better support and understand those affected by Trauma.
