Happy Friday!

As you know, Ontario Premier Doug Ford announced yesterday that various outdoor activities will open on Saturday, May 22nd.

With this announcement, we decided to allow families (up to 4 other family members) to take their loved ones out for walks from the group home.

Considering this recent announcement, we will be reviewing our protocol for outdoor visits next week.

As always, please do not hesitate to reach out to your supervisor or any member of the Pandemic Team if you require support or have questions.

Stay well, stay safe and enjoy your long weekend!!
